Professional Summary

Mechanical Engineering graduate (B.Tech, 2026) working as a Graduate Engineer Trainee in quality engineering. Hands-on FEA experience in ANSYS Workbench, AutoCAD drafting, a peer-reviewed publication on thermal barrier coated pistons, and industrial exposure to power plant operations and railway workshop practices.

Experience

Graduate Engineer Trainee (Quality Engineer) Oct 2026 – Present
Jupiter Wagons Limited (Stone India)

- Working in the quality function as a Graduate Engineer Trainee.

Industrial Trainee Jul 2025
Mejia Thermal Power Station (DVC)

- Studied power plant operations and maintenance practices during a 15-day industrial training.

Industrial Trainee Jul 2024
Railway Workshop (RKVY)

- Gained exposure to manufacturing processes and maintenance practices during an 18-day training.

Academic Project and Publication

Comparative Thermo-Mechanical Performance and Material Optimization of Bare and Thermal Barrier Coated IC Engine Pistons

- Designed and analysed a 220 cc IC engine piston in ANSYS Workbench using three materials (A2618, Al-GHS1300, Ti-6Al-4V), each in bare and thermal barrier coated conditions.
- Achieved a 23.4% reduction in total deformation for coated A2618.
- Co-authored and published the findings in the International Journal of Engineering Research & Technology (IJERT), peer-reviewed, 2026.

Education

B.Tech, Mechanical Engineering 2022 – 2026
Cooch Behar Government Engineering College CGPA: 6.86/10

Higher Secondary (Class XII), WBCHSE 2021
Putimari High School 73.2%

Secondary (Class X), WBBSE 2019
Bamanhat High School 74.85%

Skills

Software: ANSYS Workbench, AutoCAD, MS Office
Technical: CAD Modeling, Finite Element Analysis (FEA), Thermo-Mechanical Analysis, Engineering Drawing, Manufacturing Processes, Material Selection

Certifications

- Engineering Mechanics – Coursera
- AutoCAD – Coursera

Leadership & Activities

- Core Organizing Member at College Annual Fest and Freshers' Programme, NSS Volunteer

Languages

Bengali (Native), Hindi, English

Hobbies

Playing Cricket, Drawing, Illustration
